

## ***Black Tiger Pledge***

All members of the Tiger Band Family have an important role to play in keeping our fellow students and community safe by doing our part to stop the spread of COVID-19. As a member of the Tiger Band, I know that I must take steps to stay well in order to protect others and promote a safe return to school. Because of this, I pledge to take responsibility for my own health and help stop the spread of COVID-19.

It is my Tiger Pledge to protect myself, my fellow band members, and the community by doing the following:

- Wear a mask in all public spaces
- Practice physical distancing as much as possible
- Frequently wash and/or sanitize my hands
- Keep my personal space, shared common space, and my belongings clean
- Do not share instruments, materials, food or drinks with people outside of my immediate family
- Monitor for the following symptoms:
  - A fever of 100.4 or higher
  - Respiratory symptoms, such as dry cough or shortness of breath
  - Sore throat
  - Headache
  - Body aches
  - Chills
  - Loss of taste or smell
- Stay home if I am feeling sick.
- Timely report any known or potential exposures to COVID-19 to the music teachers.
- If I test positive for COVID-19, I agree to not return to rehearsals until:
  - My symptoms have resolved AND
  - It has been at least ten days since the start of my symptoms AND
  - I communicate with the Summit County Health Department to determine when it is safe for me to return to rehearsals.

I have read, understand and agree to comply with my Tiger Pledge above. I also acknowledge that these expectations and pledge are a critical part of my participation in the Tiger Band. I take my pledge seriously and will do my part to protect the Tiger Band and our community.
